New York, June 16.—The stock market today was fairly active, with the railroad stocks usually prominent in extent of business. Some irregularity was apparent in the forenoon operations, but the last half of the session was marked by positive buoyancy in the leading shares. Covering of such Scorpion the leading shares. Covering of such orders occurred on a large scale and there was fair buying for commission

there was fair buying for commission account.

The demand for the specialties was good. The more active saures sold up 192 per cent. Sugar participated in the general improvement. The general market opened irregular but soon sagged under the influence of lower London prices. The later upward movement was helped by London buying and by decided strength in government bonds. The dealings in the securities were on a comparatively large scale, with the new fours rising I per cent. to 118½ and fractional gains being recorded in the other issues. The closing was at the best figures of the day and showed substantial gains over last

Vin Rio Grande Western Railway.

For the benefit of the teachers returning to their eastern homes, also for the public, the Rio Grande Western railway announces a rate of \$50 to Sloux City, Omaha, St. Joseph, Kansas City and all other Missouri river points and return. Tickets will be sold June 17th and 18th, limited to September 5. Those intending to avail themselves of this opportunity to visit their eastern homes at the low rate mentioned should remember that the Rio Grande Western has a through line of Pullman standard sleepers, as well as through tourist or family sleepers to hicago, New York and Boston. For further particulars call at ticket office, No. 15 West Second South street. Via Rio Grande Western Railway. New York, June 16.—The Evening Post's London financial cablegram races adversely affected the stock markets, which were generally flat. Americans early were an exception. Kaffirs have fallen heavily and West Australian mines are lower. Americans have been good in sympathy with New oYrk quotations. The buying here was limited and cliquey, but a little Dutch buying helped matters. There was a reaction at midday on expressed diseastisfaction over the Republican monetary platform, it being believed that the convention will end in a straddle.
